

## Making Animals

### Instructions

**1** Go into your garden or local park (with an adult!) and make a list of the things that might make life difficult for an animal to live.

Look at the list of animal characteristics in the table below.

**2** Choose a selection that your animal will need to survive in your garden or park.

Fast runner	Powerful digging claws	Spotted fur	
Slippery skin	Large ears	Long neck	
Thick fur	Sharp claws	Striped fur	
Slippery skin	Can stay very still	Webbed feet	
Good eyesight	Breathes underwater	Fierce growl	
	Good sense of smell	Sharp beak	

## Making Animals

**3** Draw a picture of your imaginary animal and colour it in.

**4** Label the **characteristics** you have chosen for it and explain how each one helps your animal to survive!
