

Educational Visit Menu

Educational visits are available to primary schools and uniformed groups (e.g. scouts) in the Don Catchment area, including Sheffield, Rotherham, Doncaster and Chesterfield.

Our activities are best suited for KS2, but KS1 visits can be arranged on request

Thank you for your interest in DCRT's educational visits, we will be in touch with you shortly.

Cost

School visits are charged at £100 per visit (this cost includes repeat sessions for up to three classes). If funding is available in your area we may be able to offer your sessions for FREE or at a reduced price so please get in touch if your school needs help with costs.

River Visits

River visits are ideally chosen at a site within walking distance from schools, but if your school can provide coach transportation, other sites are possible (please discuss with DCRT if you'd like to arrange a visit further away). DCRT organise the insurance, risk assessments and permissions for all river visits. Due to the nature of river environments, we request a ratio of 1 adult helper to 6 children on outdoor sessions.

All pupils are awarded with a FREE River Guardian Activity Pack at the end of the sessions
